Project style?

Will you be supplying any content?

Target market?

Are there any inspiring ideas that you've seen, available for us to view *(if any additional files, i.e. sketches, please attach to emails)*?

Are there any specific finishes *(i.e. Print finish / e-commerce / flash)*?

Will there be any third-party involvement at any point to the over-all project *(i.e. adverts / distributions)*?

Will you require us to maintain the project after launch deadline *(i.e. regular designs / reprints / site updates)*? Please specify what?

Any additional information that may aid us?
